Dear Mr Brindle,

I am writing to say a
very big & sincere thank you for the
warmth of your welcome to the evacuees
of June 2nd 1940.

We had a very good
luncheon at the Krusschiff for lunch, but
coming to an old school, planting the trees,
going around the building & then tea with
the staff. Governor was a real cherry in
the cake.

The two little girls at our table -
Lauren & Robyn - were ~~delight~~ delightful to
talk to & tell them as much as we could about
our experience. I think they found some of our
takes quite amusing.

Thank you too, for an brochure & I enjoyed reading
all the articles written by pupils from the various
villages. It will go to the family "archives"

All our thanks must go to your staff members
who did so much to make us welcome & put
together the exhibition & the brochure. We all
appreciated their enthusiasm & especially at the time
in the school year. Where did they find the time?
As an ex teacher myself I well remember how
frustrating it was in my time!

The County High was a huge part of
my life as my father was one of the first few members
of staff in 1928. So, I was here, also my husband
& our two children. It was good to come back
again.

I hope you can read my almost-illegible
handwriting. This seems to have appeared as we
get older!

Once again my sincere thanks to you
& all your staff.

Yours sincerely

Margaret Sparrow
