

"Holly Court Tenants, Anchor Hanover Housing all join without exception in thanking the students, their wonderful families and teachers who have, despite all the uphill battles that we are facing this year, found time to share the Christmas spirit with us. A lot of the tenants have not been outside of the scheme since last March, the communal lounges have been closed and lives have been turned upside down. Today, because of you, the warmth and gratitude that is being felt is tangible.

Please may we take this opportunity in wishing you all a wonderful Christmas with your loved ones. Take care, stay safe and we hope that next year we will be able to see students and teachers from CCHS back at Holly Court"
