Higher Expectations, Raising Aspirations

Our reference: CTALET32/LH

12th January 2021

Dear Parent/Carer

Firstly, thank you to those parents and carers who have taken the time to write in and express their gratitude for all that staff have been doing over the last week in establishing so quickly such a high quality remote learning provision for all students, it is really appreciated.

Remote Learning update

We have made a small adjustment to the remote learning timetable to encourage some daily physical activity or mindfulness (approx. 30 mins); attached are some suggested websites and ideas if required, but it could simply be going for a walk. I do feel that it will be hugely beneficial for students to get active and get away from their computer screen (and phone screen!); ideally go outside.

Please find below a link to the updated remote learning timetable which will come into effect from tomorrow (Wednesday 13th January).

[Year 7](#)

[Year 8](#)

[Year 9](#)

[Year 10](#)

[Year 11](#)

We will review the remote learning offer on a regular basis taking feedback from students, parents and teachers and will update you accordingly.

Elevate Webinar

During the last lockdown, I shared a link to some parent/carers webinars that over 10,000 parents viewed nationally. The same provider, Elevate, are offering further webinars to parents/carers again and the first webinar of the term is going to be on the **19th January at 6pm** and will focus on **student motivation through lockdown**. During the last lockdown, nationally students suffered a drop in motivation and the free webinar aims to address this with parents, giving them practical advice for how they can help sustain their child's motivation during lockdown. Registration for this webinar is given below:

Managing Motivation: How to boost and sustain your child's motivation during lockdown

Date: Tuesday 19th January 2021

Time: 6:00 – 7:00pm

Registration link: <https://get.elevatecoaching.info/uk/register>

Exam assembly

Year 11 students will receive an assembly this week that should hopefully answer some of their questions and concerns about exams and the rest of the year. Should you wish to view this the link below will take you to the assembly: [Year 11 Assembly](#)

Take care and please do let us know if your child is having any difficulties with accessing online work.
