Dear Parent/Carer

Re: Level 3 Bikeability Course

As part of our ongoing commitment to bike safety, we are holding a Bikeability Level 3 Course, to be delivered by Essex County Council, on Friday, 15th February 2019.

The aim of the course is for students to learn to ride their bike safely on the road. The content of the course will cover:

- approaching roundabouts
- left and right hand turns
- approaching junctions

Students will be required to:

- have a suitable size bicycle, in a road worthy condition, with two working brakes
- wear a cycle helmet (not full face) (these can be provided)
- wear a warm coat and gloves

There are only twelve spaces available on this course, although further courses are planned. Applications will be accepted on a first come, first served basis and if oversubscribed, a reserve list will be compiled for future courses.

If you wish for your child to participate in this course please complete the attached slip, which should be returned to Mr Blanes in the Pastoral Hub.

Should you require any further information, please do not hesitate to contact me on 01255 424266 or via email admin@countyhigh.org.uk.

Yours sincerely

R Blanes
