

Essex Child and Family Wellbeing Service

Notice: School age provision in response to COVID-19

Date: 24th March 2020

The closure of schools, except to children and young people of keyworkers, may mean that children with Special Educational Needs and Disabilities (SEND) or other vulnerabilities may not be receiving all the support they need in their home environment. Notwithstanding the government directive to minimise social contact in our effort to curtail the response to COVID-19, we wish to share our provision for school age children.

Each school in Essex is served by a multi-disciplinary Healthy Family Team. For the avoidance of doubt, our School Nurses, Family Wellbeing Nurses and School Age Support Workers remain on duty and accessible.

Virtual drop-ins: Face-to-face contacts have been replaced by telephone consultations. ECFWS continue to provide this service to 'known' children and young people. Schools are urged to refer children who they are worried about.

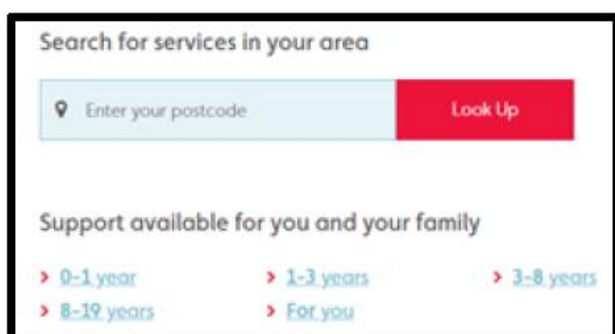

Do not hesitate to call us on:

Mid Essex Tel: 0300 247 0014
 North Essex Tel: 0300 247 0015
 South Essex Tel: 0300 247 0013
 West Essex Tel: 0300 247 0122

CHAT Health: Our texting service remains active and is well resourced with highly skilled School Nurses
