

CCHS – How to Log into.....

Show My Homework

Our online homework system assists students, parents and teachers to interact effectively and efficiently when it comes to homework. The micro website enables students to understand exactly what homework has been set for them, see how long it should take and gain access to supporting documentation all online. Students no longer have to write down their homework in class, possibly missing out important details, as it will all be available on-line. The system also allows teachers to send reminders to their classes, highlight the dates of future exams and tests as well as setting quizzes to check students' understanding of work already covered in class.

The full homework calendar is accessible without the need to log-in – just set the filters to find the home work set by students' subject teachers. When logged into the system students will see a personalised homework list, derived from their teaching groups, and ordered by due date to help them prioritise their work at home.

Personal log-in details are distributed to students and parents allowing full independent access to the system. Parents will be able to see exactly what homework has been set, the time it should be taking their child to complete and when it is due. Additionally, with access to the various task details, it allows parents to engage with their child and their homework.

Setting Up the System

Students will receive a letter containing their personal pin number along with a parent pin number / parent code along with details of how to gain initial access by visiting showmyhomework.co.uk/login/pin

Welcome to Show My Homework!

The easiest way for students and parents to find out about homework instructions and deadlines set by teachers at Clacton County High School

Student's Name

Getting started

To log in, please visit showmyhomework.co.uk/pin and enter the PIN below:

(Student Name) PIN (Parent Name) PIN
L0874XXXX V1326XXXX

When you log in for the first time, you will be asked to set up a password for your account. Please keep your password and your PIN a secret!

P.S. Get homework information on the move by downloading the free app on Android and iOS. Search 'Show My Homework'.

The no.1 homework software for schools

Welcome, please enter your details

 I'm not a robot

Parent and student Codes/Pin numbers are single use and expire after a period of time. Once the code/pin has been entered, you will be prompted to enter an email address and to choose a password which will be used for future access to the site via the login link. Please ensure you complete this set to avoid the code expiring.
