Careers Access Policy Statement

This document was last reviewed:	September 2018
This document is due for review:	September 2019

Higher Expectations, Raising Aspirations

Introduction

This policy statement sets out the school's arrangements for managing the access of providers to students at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Student entitlement

All students in years 8-13 are entitled:

- To find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point.
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events.
- To understand how to make applications for the full range of academic and technical courses.

Management of provider access requests

A provider wishing to make contact should communicate with the following:

Senior Leadership Team member with responsibility for Careers Guidance - Mr Alex Cooke

Email: alexander.cooke@countyhigh.org.uk

Careers Advisor - Mrs Amanda Read

Email: amanda.read@countyhigh.org.uk

Work Experience Co-ordinator - Mrs Julie Settle

Email: julie.settle@countyhigh.org.uk

Opportunities for access

REAL (Religious, Ethical and Lifelong Learning) days, where students are off normal timetable, provide these opportunities, such as 6th December 2018, our 'Careers' Day, with focused activities and speakers.

There are six planned REAL days for this academic year, and as well as 6th December, others of these may provide targeted development/careers activities and information.

Please email any of the above staff to arrange access on any of these dates or to discuss any other opportunities.
