Higher Expectations, Raising Aspirations

Our Ref: AMR Let Yr 11 Parents Eve

18th September 2024

Dear Parents and Carers,

Year 11 Parents' Evening, Thursday, 26th September 2024

You are warmly invited to the Year 11 Parents' Evening on Thursday, 26th September 2024 from 3.45pm - 6.45pm to discuss your child's progress with their teachers to ensure the best outcome for your child's GCSE results and have as many options as possible for their future. The evening offers an important opportunity to find out how to support your child's learning at home and identify areas where they may need additional support as they head towards final exams.

Appointment booking

Appointment bookings will open from 6.00pm tomorrow, Thursday 19th September. When you book an appointment, you can select from a face-to-face meeting at CCHS or a virtual appointment on our SchoolCloud system. Please [click here](#) to book. For a guide on how to attend a virtual meeting please [click here](#). Bookings will close at midday on Thursday, 26th September.

Appointments will be 5 minutes in length to allow for as many parents and carers as possible to speak to their child's teachers. Please be aware that neither the teacher nor the parent will be able to extend this beyond the scheduled appointment length, in which case, if there are further questions, a follow-up email or telephone conversation with the teacher might be appropriate. If you wish to arrange an additional conversation please contact admin@cchs.school and include the teacher's name.

Sigma Sixth

Representatives from Sigma Sixth, the school's vibrant and successful sixth-form college, will also be present at CCHS to provide information on the college and advise on course options. Further help and information on post-16 pathways will also be available, notably around the collaborative VI6 (Six Six) provision that CCHS has developed.

Year 11 Reports

You will receive a reprint of your child's most recent report via email to remind you of your child's predicted grades and their attitude to learning marks prior to the summer holiday. This may have changed slightly since then so please discuss this with your child's teachers. The next updated report will be sent out after the first round of Mock exams.

Logistics

Maths, and Science appointments will be held in the School's main hall. All other activities will be in the Clouds restaurant area.

Please enter and leave the school through the Walton Road gates. As you approach the front of the school proceed around to the right and enter through the student entrance and left towards the Clouds Restaurant.

Parking on the school site will be minimal. If you park on Walton Road, please be considerate to our neighbours.

We look forward to seeing you on Thursday, 26th September, and hope that you have an informative and successful evening. If you have any feedback following the evening, please let me know.

Refreshments will be available and colleagues from the Year 11 Pastoral Team will be on hand to provide any assistance.

Yours faithfully

Mr A Martin

Assistant Headteacher
