## Opening Evening Showcases our Sixth Form College

Year 11 students from across the district, along with their families, had the opportunity last week to learn what the CCHS Sixth Form has to offer them when they progress to their Post-16 study after next year's summer exams. Our Sigma Sixth College opened its doors for a special evening to showcase our outstanding modern facilities and the variety of subjects available to students in our college environment.

Our subject leaders and sixth form ambassadors were on hand to talk about the A-Level, BTEC Level 3 and T-Level courses available, along with our unique link with Essex University - as part the VI6 (Six-Six) programme, enabling students to study a number of minority A-Level subjects at the university and gain a feel for the university experience.

The evening was very busy with prospective students keen to see the fantastic facilities, listen to presentations by staff and students, and learn that Sigma Sixth Tending is not just about study. Our sixth form offers students the full college experience right on their doorstep, with the bonus of effective pastoral support within the CCHS sixth form family, without the need to travel miles to study each day.

Everyone who attended the evening were highly complementary about the facilities, our subject offer and the support they received from staff and students. It was an exciting and vibrant evening where students felt informed about making decisions about the next steps in their education.

Applications to the CCHS Sixth Form – Sigma Sixth are now open, please [visit our Sixth Form website](#) for further information on the courses on offer and to apply.

The variety of A-Level, BTEC Level 3 and T-Level courses available are detailed in the digital Sigma Sixth Course Guide – [Click Here to discover the courses available to our sixth form students](#)

## CCHS Sports Clubs – Everyone Welcome

We are always keen to expand the variety of sports clubs on offer to our students as part of our extra-curricular offer. Alongside the traditional football, netball and rugby clubs, we also offer alternative sporting activities such as Boxing, Swimming - for those less confident in the water, and access to our newly improved Fitness Suite. This has recently moved to a new home and the larger space allows for a better training experience. Our Fitness Clubs are regularly attracting a good attendance.

Another popular activity is our new Boxing Club, after school every Wednesday; there is also a special boxing drop-in activity on Wednesday lunchtimes, where students can expel some energy in a controlled, supervised boxing session.

*Pictured above - the lunchtime boxing drop-in is gaining in popularity!*

There are numerous sporting clubs that students can participate in and we encourage all students to come along and enjoy physical activity after-school. Next half-term there will be even more additional sports activities to participate in, for more information about the clubs on offer please see our [Clubs and Activities](#) page on our website. Everyone is welcome, any ability - just turn-up and participate (PE Kit is required for all our after-school sports activities.)

## Media Studies Students Learning on Location

This week, to assist with their studies, a number of our Year 10 and Year 12 Media Studies students spent a day at Harry Potter World. The Year 10 students are currently completing a piece of coursework that looks at the action-adventure genre. Their visit enabled them to examine how one of the biggest action-adventure franchises of all time was made and how it appeals to such a large audience; from young children all the way to grown adults. The students really enjoyed an action-packed day including exploring the actual film sets used in the production of the films, riding broomsticks, coming face to face with Death Eaters, venturing into the forbidden forest and surviving a dragon attack at Gringotts! The students ended their time at the studios exploring the vast gift shop and were spoilt for choice for souvenirs to take home as a memento of the day.

Our media students were brilliant throughout the day and a credit to the school. The staff at the Warner Bros studios were very complimentary on their behaviour and interactions with the staff and asking numerous questions. They listened to information as they made their way around the exhibition and were able to watch a death-eaters display. They all had an incredible day, took home some brilliant memories and most definitely all left as Harry Potter fans for life! Many thanks to Harry Potter Super-fan, Mrs Fattore for organising the trip, but was unable to attend due to our Ofsted inspection this week, and to Miss Dominey, Ms Dean and Mrs Wales, for taking the students on the trip.

## One More Week until Half-Term

We finish for the autumn half-term break next Friday. **School finishes at 3:15pm after lesson 4 on Friday, 25<sup>th</sup> October.** We return to school for the second half of the autumn term on Monday 4<sup>th</sup> November at 8:45am.

**NB. Year 11 Mock Exams run from Monday 4<sup>th</sup> to Tuesday 12<sup>th</sup> November.**

## Celebrating Student Success

### Attendance Weekly Golden Ticket Awards

100% Attendance prize draw - one student from each form group wins their form's 'Golden Attendance Ticket', allowing them to skip to the front of the Clouds food servery queue on a day of their choice.
