Tending Youth Awards 2024

This week, Tending Youth Awards hosted their 8th presentation evening at the Princes Theatre to celebrate the achievements and perseverance of young people and those involved with youth groups across the Tending District. We were delighted that a number of our students were nominated in three of the award categories, along with the appearance of one of our school bands, who were invited to perform as part of the entertainment throughout the evening.

Congratulations to Precious, in Year 10, who walked away with the Secondary School Attendance Award for her dedication to attending school despite her commitments at home, helping to look after her siblings since the death of her mother. Harry, in Year 8, was nominated in the Outstanding Achievement Award category for his commitment to competitive swimming, and his recent achievements in County, Regional and National competitions. Our third nominee was Demi in Year 10, in the Personal Growth category for her resilience over the past few years and her achievements as a Young Scout Leader. Well done to all of them, plus the band 'Panic Attack' with Seth on lead vocals, Charlie on Drums, Tom and Flynn on Guitar and Charlie on Bass.

Coastal Sports League – Netball

Our first season of sports fixtures are nearing conclusion, with the aim to have them completed just after half-term! It is always a tight schedule as the nights draw-in and our teams were soon in action after the start of term in September. This is always difficult for our new Year 7 teams who are 'thrown in at the deep end', having to play fixtures and gel as a team after only a couple of training sessions. This season our Year 7 teams have been outstanding and literally 'hit the ground running' with some close results for both the girls' netball and boys' football teams against the other coastal schools.

Pictured above (L to R) – Our Year 7, Year 8 and Year 9 netball teams, along with the Year 10 and Year 11 teams (left).

Regardless of results, our Netball teams have produced some fantastic play and displayed some great teamwork this season. The Year 7 netballers played their first fixture

against Harwich, winning 8-3, followed by a 4-4 draw against Colne; last week they lost against Clacton Coastal Academy and again this week, in their penultimate fixture, against Tending. Our other teams have struggled this season; our Year 8 team remained resilient despite being devoid of a victory; the Year 9 girls achieved a single victory against Harwich and the Year 10 girls are hoping for a change in fortune with a game against Manningtree still to play. The Year 11 team, in their final season playing together, secured a win against Harwich and hope to add another 3 points to their league total in their final fixture after half-term. Well done to all our netball teams! See the next edition for all the news about our football teams results this season. See out [photo gallery](#) for more images of all our sports teams in action.
