Recognising Fantastic Attendance

Last week we celebrated the form groups across the school with the highest number of students achieving 100% attendance for the second-half of the autumn term. The students from the top form group in each year group had the choice of a reward

breakfast in Clouds, or a Golden Ticket, to allow them to jump the lunch queue on one day, to acknowledge their accomplishment. Well done to 7y5 (Mrs Bracey & Miss Moss), 8y4 (Mr Debenham) – both pictured above, 9x1 (Mr Clark & Miss Collins), 10x3 (Mrs Gately) and 11x5 (Mrs Barker and Mrs Ellis) for topping the autumn term 100% attendance leader board. The 100% attendance incentive aims for all our form groups to work collectively on whole form attendance, with those with fantastic attendance actively, as well as sub-consciously, encouraging other form members to follow their example. Every form group is now working towards this half of the spring term attendance rewards.

CCHS Clubs, Extra Curricular Activities and Revision – Spring Term

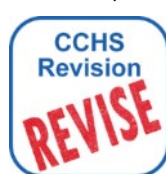

As we move into a new term there is an updated weekly schedule for extra-curricular clubs and activities which are available for students to participate in after school. Please visit the [Clubs and Activities page on our website](#) for full details of all of our current extra-curricular sessions. Year 11 Revision sessions are now fully focused on the upcoming mock exams and the summers exams. These feature as a separate list of available revision sessions, all of these count towards the Year 11 Passport to the Prom, see below.

Year 11 Passport to the Prom

This year's 'Passport to the Prom' was launched at the start of term. The annual initiative provides an incentive to our Year 11 students to attend as many revision sessions as they possibly can and encourage excellent school attendance in the final push towards their exams.

We realise that the Year 11 Prom is an exciting milestone in a student's transition from main school to sixth form and further education. It marks their journey towards adulthood; however, the Prom is not only a celebration of a student's time at Clacton County High School, but also a reward for the effort and hard work put into achieving their absolute best in their exams. Over the course of the next fourteen weeks, up until the 23rd May, in order to be eligible to purchase a ticket to their Prom on Thursday 3rd July, our Year 11 students will need to attend, and actively participate in, a minimum of five Maths, five English and five Science revision sessions, along with at least ten revision sessions in other subjects of their choice. In addition, students need to consistently maintain a 95% attendance record or higher through to their summer exams, complete a minimum of three quality homework pieces each week and meet all of their coursework deadlines. As an additional incentive, students who complete thirty-five revision sessions or more, will be entered into a prize draw for some great prizes including; Complimentary Prom Tickets, Hair, Nail and Make-up salon vouchers, Amazon Vouchers and numerous other prizes.

CCHS staff are extremely dedicated; always willing to go the extra mile for their students, they provide after school revision workshops, additional support during holidays and even at weekends, closer to the exams. Students should talk to their subject teachers to find out more details on the times and dates of any additional sessions, as well as consulting the weekly revision timetable available online within our [Revision Microsite](#).

Parental support is so important in ensuring success and we know our parents are equally supportive of the school. Please encourage your child to make the most of the help available to achieve the best possible grades they can.

NB. By invitation only, a number of Exam Revision and Catch-Up Sessions will be taking place during the February Half-Term and Easter Holidays – where possible, please avoid booking holidays for exam students during these periods, up until the final day of the exams, including the Contingency Day of 25th June [See this year's A-Level and GCSE Exam Timetable here](#).
