## **An Insight into University Study**

Last week, a number of Year 8 students were invited to tour the Anglia Ruskin University Campus in Chelmsford and discover their fantastic facilities. The students had previously completed a workshop in school with 'Into University' staff, opting into their future studies by exploring what life at university entails and the opportunities it creates. The highlight of the tour was seeing one of their two-hundred-seater lecture theatres and the life size 'patients' in the nursing building, used to teach the next generation of nurses as part of their various Nursing degree courses.

## **CCHS Gymnastics Team in Action**

Last Sunday, our Gymnastics team competed in the regional round of the British Schools Gymnastics Association - Floor and Vault Gymnastics Competition at Chelmsford Gymnastics Club. Competing in the Year 7 category, each team member competed in the floor and vault disciplines. The girls performed amazingly against the other seven teams and produced some fantastic scores. Thank you to Miss Cox for giving up her Sunday and well done to Ruby, Savannah, Gabby and Iris.

## **Important Messages for Young Drivers**

Last week, students at our Sixth Form College attended a special eye-opening 'Young Driver' talk delivered by members of The Safer Essex Road Partnership. Road crashes are the biggest killer of 17 to 25-year-olds in the UK, so in an effort to combat this, the Partnership is educating young people who can then inspire and challenge other young drivers/passengers and help save lives. The presentation, entitled 'Vision Zero', consisted of tips and information ranging from how to obtain a driving licence through to important road safety messages, how to be a better young driver/passenger, and the 'Fatal 4'—

### **The Fatal Four**

1. INAPPROPRIATE SPEED

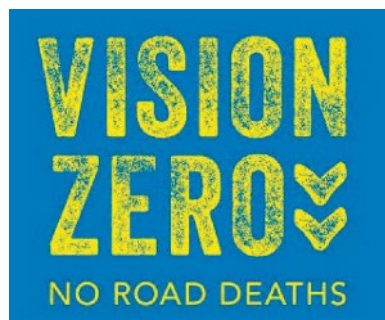

2. DRIVER DISTRACTIONS  
Most commonly mobile phones

3. LACK OF SEAT BELT

4. ALCOHOL OR DRUG IMPAIRMENT

seatbelts, speed, distractions and driving under the influence of alcohol and drugs. The students also learnt about the penalties they can receive from various traffic offences and how these can impact them for many years to come.

The 'Vision Zero' strategy aims to make our roads in Essex safer by eliminate all traffic fatalities and severe injuries while increasing safe, healthy, equitable mobility for all. The scheme was first implemented in Sweden in the 1990s, and has proven successful across Europe and now across the UK, along with making a major impact in American cities. You can find out more and help to achieve Vision Zero by visiting [The Safer Essex Road Partnership website](#).

## Girls Football Season 2025

Pictured above our Year 7, Under 14 and Under 16 Girls Football Teams

Our Year 7 girls have had a great first season as our newest squads and have started to gel well as a team. After a defeat against Tendring in their first game, the girls were on cloud nine with a decisive 3-0 victory against Colne last week. They completed their short season this week with a 2-0 victory against Manningtree High School; they have worked amazingly as a team across their three games and played some fantastic football – Well done girls!

The Under 14 girls' team brings together girls in Years 8 and 9, and despite encountering a number of defeats, they have continued to work hard as a team despite their results. Our Year 10 and 11 girls, playing as our Under 16 football squad, have also struggled this season but have shown some outstanding perseverance against some strong opposition, and continue to develop their game, self-belief and resilience.

## Rugby Round-up – Part 2

As a follow up to last week's rugby season round-up, this week our Under 16 Rugby squad faced Manningtree High School, the current league leaders, in what was going to be another close encounter. Having lost to Colne by just two-points, the CCHS team were keen to score a victory in their second match. Manningtree took a substantial early lead before the CCHS boys were into their stride and then replied with three quick tries to give CCHS the advantage at the interval. After the break, Manningtree re-started by scoring another couple of quick tries but, in a repeat of the first-half, CCHS were soon back on-top. Despite continual pressure by Manningtree, our boys managed to retain the lead until the final whistle - winning 40 points to 35 causing an upset for the visitors.

## Celebrating Student Success

### Attendance Weekly Golden Ticket Awards – Data from the final week of the Autumn Term

100% Attendance prize draw - one student from each form group wins a 'Golden Attendance Ticket', allowing them to skip to the front of the Clouds food servery queue on a day of their choice.
