## **Sports Leaders Lend a Hand**

Over the past weeks, a number of our Year 9 Sports Leaders have been assisting at a weekly sports session for Shorefields school at Clacton Leisure Centre. The leaders have been engaging with the students and helping them to work on their hand-eye coordination through a variety of activities, including throwing, catching and a number of football and hockey skills. The Shorefields students have relished the attention from our sports leaders and loved interacting with them. Our sports leaders have been fantastic working with the students, adapting the various skills appropriately according to their abilities, and have enjoyed assisting the Shorefields staff to keep their students engaged for the whole session. The partnership continues after the Easter break, allowing our other sports leaders to gain additional experience leading activities for those of all abilities.

## **BTEC Sport 'Learning on Location'**

Last week a number of our Year 10 BTEC Sport students completed one of the practical elements of their course when they undertook their Orienteering and Climbing Assessments. A number travelled to Highwoods Country Park in Colchester to negotiate their Orienteering Course, whilst others travelled to Essex Outdoors facility on Mersea Island, utilising their climbing wall facilities for their assessments. The students worked hard to help ensure that they demonstrated the skills required, helping them towards a good grade in their Outdoor and Adventurous Activities Unit of their Sports Study BTEC course.
