

# CCHS – How to Log into.....

## Tootoot

Tootoot is a pupil voice and safeguarding app which allows students to report anything from bullying to a mental health concern. The simple-to-use app makes it easier for students to speak-up and gives them confidence that their concerns are being taken seriously.

CCHS students must login to Tootoot to be able to report an incident.

Students receive their individual login details via email; sent to their school email, accessed through their Google account.

Each student's username is created from the year of their entry to CCHS followed by their surname and first initial e.g. 19smithd

### School Year 2023/24

Current Year	YY
Year 7	23
Year 8	22
Year 9	21
Year 10	20
Year 11	19
Year 12	18
Year 13	17

If they forget their password, they just need to request a password reset by contacting their Year Group Pastoral Team.

Students can access Tootoot via a web browser or download the app from the Apple App Store or Google Play.

**The username is the students' surname + their first initial**  
 This is similar to the username they use to login to the school computers (including the first two digits)
