

Sigma Sixth statement on how it is using the 16-19 Tuition Fund from September 2020

At Sigma Sixth, we intend to use the funding to provide additional support to small groups of students that have not yet achieved a grade 4 in maths or English, with particular regard being given to the requirements of disadvantaged students and students with special educational needs and disabilities (SEND).

Support and resources will be provided based on the individual needs of each student.

Some of the support that Sigma Sixth will be offering:

- English/Maths tutors to work with students 1:1 or in small groups.
- Learning mentor to work with small groups to overcome barriers to learning.
- Purchase bespoke resources for targeted students to use to support their learning.

Sixth is committed to ensuring that the tuition fund is used in accordance with the Government's guidance on the 16 to 19 Tuition Fund by:

- Producing this statement setting out how the fund will be used to support the most disadvantaged students.
- Publishing this statement on the Clacton County High School & Sigma Sixth websites.
- Recording the use of the fund, including references to individual students who receive support, the needs of those students, the number of hours of tuition delivered and retaining the evidence of the tuition provided.
- Delivering the extra tuition and spending the allocated funds in the academic year 2020/21.
- Notifying the Education Skills Funding Agency (ESFA) of any underspend from the fund for it to be reclaimed.
