

## Pupil Premium Grant (PPG) Expenditure

(Revised Oct 2020)

The Pupil Premium Grant is allocated to schools for the purpose of raising the attainment of disadvantaged students of all abilities to reach their potential and supporting children and young people with parents in the regular armed forces.

At Clacton County High School we have worked hard to ensure that those students who are eligible for PPG funding make progress in line with their peers. The progress of our students in receipt of the PPG has been sustained and has achieved notable recognition over time:

The school was commended by David Laws MP, Minister of State for Schools, in 2014 for the progress made by PPG students and in 2015 was the East of England runner up in the Pupil Premium Awards, in 2016, the school was again commended by the Minister of State for Schools, Nick Gibb MP, on the progress our students made defined using the new Progress 8 Measure.

**The Pupil Premium Grant is available to for students that can be classified as:**

### **Ever 6 FSM**

The pupil premium for 2020 to 2021 will include students recorded in the January 2020 school census who are known to have been eligible for free school meals (FSM) since May 2014, as well as those first known to be eligible at January 2020.

### **Children adopted from care or who have left care**

The pupil premium for 2020 to 2021 will include students recorded in the January 2020 school census and alternative provision census who were looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order (previously known as a residence order). These are collectively referred to as post-LAC in these conditions of grant.

### **Ever 6 service child**

For the purposes of these grant conditions, ever 6 service child means a pupil recorded in the January 2020 school census who was eligible for the service child premium since the January 2014 census as well as those recorded as a service child for the first time on the January 2018 school census.

### **Allocations to schools**

£935 per pupil for each Ever 6 FSM FTE in year groups 7 to 11, except where the pupil is allocated the LAC or post-LAC Premium

£1,900 per pupil for each post-LAC in year groups reception to year 11

£300 for each pupil aged 4 and over in year groups reception to year 11 who is either Ever 6 service child FTE or in receipt of pensions under the Armed Forces Compensation Scheme (AFCS) and the War Pensions Scheme (WPS)
