

## Year 11 - Coursework Support / Revision January to June 2024

Please remember it is in your best interests to stay on top of your coursework for vocational subjects through work in lessons and independently.

This is for two reasons; 1) If you miss a deadline and fall behind it is likely you will fail the course completely  
2) Once you have completed your vocational subject you will be able to spend that lesson time revising for your GCSE or BTEC exams.

All Coursework and Revision Sessions take place after school - 3.15pm to 4.15pm

### Exam Revision - Week A

	Monday	Tuesday	Wednesday	Thursday	Friday
